Cosentino works magic on Seven

World renowned master illusionist, Cosentino, is back with an all-new spellbinding one-hour special on Seven that will leave viewers asking “How did he do that?”

Filmed live in front of a sold out audience at Melbourne’s The Palms At Crown, **Cosentino – The Magic, The Mystery, The Madness** takes viewers to a whole new level of intense nail-biting suspense that seemingly transforms the impossible into reality.

Cosentino combines his trademark spectacular stage illusions, death-defying escapes and stunts with some new and mind-boggling street magic that will mesmerise the staunchest skeptics.

Widely considered to be Australia’s number one illusionist, Cosentino is the face of a new generation of one of the world’s oldest art forms. As Australia’s answer to Houdini, his grand, theatre-style show brings to life some of the most complex and riveting magic ever seen.

Cosentino is the first and only Australian to win the coveted International Merlin Award for Most Original Magician.

Cosentino’s previous TV special, which aired on Channel 7 in September 2012, quite literally worked its magic as the number one show on television with 1.285 million viewers (5 city metro).

Cosentino – The Magic, The Mystery, The Madness is coming soon to Channel Seven.
